Additional costs will apply if an image needs to be edited for use.

Some of our work

Laser Engraving on wood is a wonderful way to personalise these products, specifically chosen from our **NZ HANDMADE suppliers** and other wood suppliers

Happy to work to your time frames.

Orders may take between 5 to 10 business days depending on stock availability.

Nearing the end of school years and sport seasons, orders will take longer to complete. An estimated time for completion will be given with order confirmation.

## Wooden Boxes, Cremation Ash Box.

My family chose the large Hand-made box for our Dad. A really fitting memorial for him, being made of NZ timber.

I engraved the lid using the *Parisiennne Font* -sample on page 2, which is simple and elegant.

I'd like to offer my assistance to you, for your tribute to your loved one.
